

LEAGUE CONSTITUTION'S ADOPTION WILL
BE DELAYED BY HITCH ON AMENDMENTSFRENCH NOT IN ACCORD WITH WILSON
ATTITUDE TOWARD RUSSIA AND HUNSPRESIDENT STILL HAS HOPES THAT THE
PROBLEMS WILL BE SOLVED AND
DELAYS RETURN TWO DAYS

NOW EXPECTS TO LEAVE MONDAY

By FRED S. FERGUSON

(United Press Staff Correspondent)

PARIS, Feb. 12.—Whether obstructionists will gain a temporary victory by blocking the final adoption of the League of Nations constitution prior to the President's departure for the United States as well as further stirring up Paris with a war scare will be determined within the next thirty-six hours.

The League of Nations committee is scheduled to take final action tomorrow on the constitution. The committee's work will be hampered by the fact that many of the amendments presented at recent meetings are not yet entirely agreed on.

The amendments to the League's constitution are understood to have been introduced largely by the French who are said to be developing an attitude of distrust for President Wilson who is insistent on being defending the Germans and the Bolsheviks. This attitude has not only been demonstrated in the French press but also in the League of Nations committee. The French have insisted that it is understood, in insisting that the constitution provide for the establishment of a great international tribunal to be stationed in Geneva, as well as further restriction of the German and Russian armaments.

By ROBERT J. BENDER

(United Press Staff Correspondent)

PARIS, Feb. 12.—Delay in the completion of the League of Nations constitution may necessitate President Wilson's return to France immediately after adjournment of Congress, it was learned today. He is so anxious to carry back with him a final draft of the constitution that his departure has been postponed from Friday until Sunday or Monday, which will result in his reaching America about February 25. Unless the full agreement is reached by the league committee tomorrow the submission of the constitution of the plenary session this week is out of the question. The President has been selected to read the draft to the full conference.

NEWS JOTINGS OF
STATE COLLEGE MEN
KNOWN ABOUT HERE

Sergeant Spencer M. Free, of DuBois, has been decorated with the Italian war cross. He was one of the thirty-six former students of the Pennsylvania State College honored for bravery and excellent service in the last Italian offensive. All the decorated soldiers are members of Section 529, U. S. ambulance corps, which has seen service in Italy for the last six months. Before he enlisted, Sergeant Free was a junior in the school of agriculture at Penn State.

Nieutenant Melvin J. Locke, Jr., of Bellefonte, a member of the senior class in the school of Liberal Arts of the Pennsylvania State College, is a promising candidate for the Blue and White wrestling team. He is a heavy-weight grappler of great strength, having won honors in the recent inter-class wrestling tournament at Penn State. He was one of thirty men taken to the training table this week.

SUNDAY SCHOOL NIGHT
AT BAPTIST CHURCH

Tonight is special Sunday school night at the revival services at the First Baptist church. Rev. Smith will preach a special sermon to young people and each young man and woman in the town who can possibly do so should attend this service. Everybody is urged to attend the service.

LEGISLATORS WILL
STOP RAILROADING
OF NEW MEASURES

By United Press
Harrisburg, Feb. 12.—There will be no more railroading of bills in the Assembly of Pennsylvania during the balance of the session. A "legislative league" comprising members of the House has been formed to act as a brake to legislation. Its chairman, and board leader elect is Robert L. Wallace, of New Castle. The league officials declared today that the league had about 75 members who will act in unison.

FIREMEN'S DEMONSTRATION
TOMORROW NIGHT

All firemen should make it a point to attend the first aid demonstration, at No. 1 hose house tomorrow evening at 7:30 o'clock.

Mr. Berry in charge of the U. S. government car, who is instructing the first aid class each afternoon, has arranged tomorrow evening's demonstration especially for the firemen and all should turn out as it should prove highly interesting and instructive.

The apparatus will be demonstrated downstairs, following a lecture to the firemen in No. 1 hall.

Miss Alverta Aurand of Luthersburg, spent the day with Lena Kolbe.

Chester Wingert of DuBois, transacted business in town.

TOMORROW WILL
BE SENTENCE DAY

Thursday will be getaway day in the Clearfield county criminal courts and the county jail. Judge Bell and Judge Corbett will parcel out their "just dues" to some fifteen or twenty malefactors of varying degrees of reprehensibility. In the long list, the longest in any one single instance in the criminal history of Clearfield county, will be found violators of the common proprieties as well as about every other statute inscribed upon the "thou shalt not" books of the magnificent commonwealth Old Billy Penn swiped from our original American cousins in return for a few strings of beads and a swig or two from a long, large, dark bottle.

It may be some consolation for these victims of the law's majesty to know that when old Billy Penn or his representative, said to be his nephew, poled his birch bark canoe up the West Branch on his trip to establish the uttermost northwestern boundary of Pennsylvania, he camped one day at the noon hour on the very site of the present county jail, and cooked his frugal dinner, dining off the juicy steak of a young buck deer he slaughtered as the deer was quaffing the cooling waters of Moose Creek where that turbulent stream enters the river just below the Third ward.

However be that as it may, out of the some forty or more prisoners in the county jail no less than fifteen will face Judges Bell and Corbett Thursday morning at 9 o'clock to discover what their individual portions of the "wages of sin" amount to. These sentences will range from death in the electric chair down to a fine and costs and admonition not to do it again. There will be several penitentiary terms handed out and the total of years to serve promise to make another record.

L. J. Wise, of Third Ward, whose automobile knocked down and so seriously injured J. Wallace Chase on Nichols street September 19th last, and who was convicted of assault and battery upon Mr. Chase at last week's court as a result of the happening, will be called for sentence on Friday morning.

TRINITY METHODIST CHURCH
NOTES

The Women's Foreign Missionary society met with Miss Maud Powell this afternoon. The study period in charge of Miss Mary King was on the subject "Women Workers of the Orient."

Following the prayer meeting service this evening there will be a meeting of all the unit leaders and the local centenary council, to discuss plans for carrying out the church program of the centenary movement.

Tuesday afternoon the Ladies Aid Society will have a business session at 3 o'clock and this will be followed by the social hour at which the usual lunch will be served.

These affairs have been very popular with the members and friends of Trinity church and it is expected there will be a large number present tomorrow afternoon to enjoy the fellowship hour and the delicious lunch that will be served.

Mrs. G. W. Brantner and daughter Miss Julia has returned to their home on exile avenue after spending two months visiting her daughter Mrs. J. M. Hemmes at Portland, Maine. Mrs. Hemmes and little son Robert accompanied them home and expect to spend some time here. Mr. Hemmes will arrive later.

Clarence Holcombe returned from Philadelphia where he visited his fiancée.

DRY FEDERATION TO
MEET HERE FEB. 24
LICENSE COURT DAY

The annual meeting of the Clearfield County Dry Federation will be held at the Clearfield, Pa., Y. M. C. A. auditorium, Monday, February 24th, 1919.

The regular session will be held at 1:30 o'clock p. m. A preliminary session will likely be held at 11:30 a. m.

Many of the delegates will wish to spend some time at license court, which has been called by Judge Bell for the morning of this same date.

Some of the business to come before this meeting of the Dry Federation.

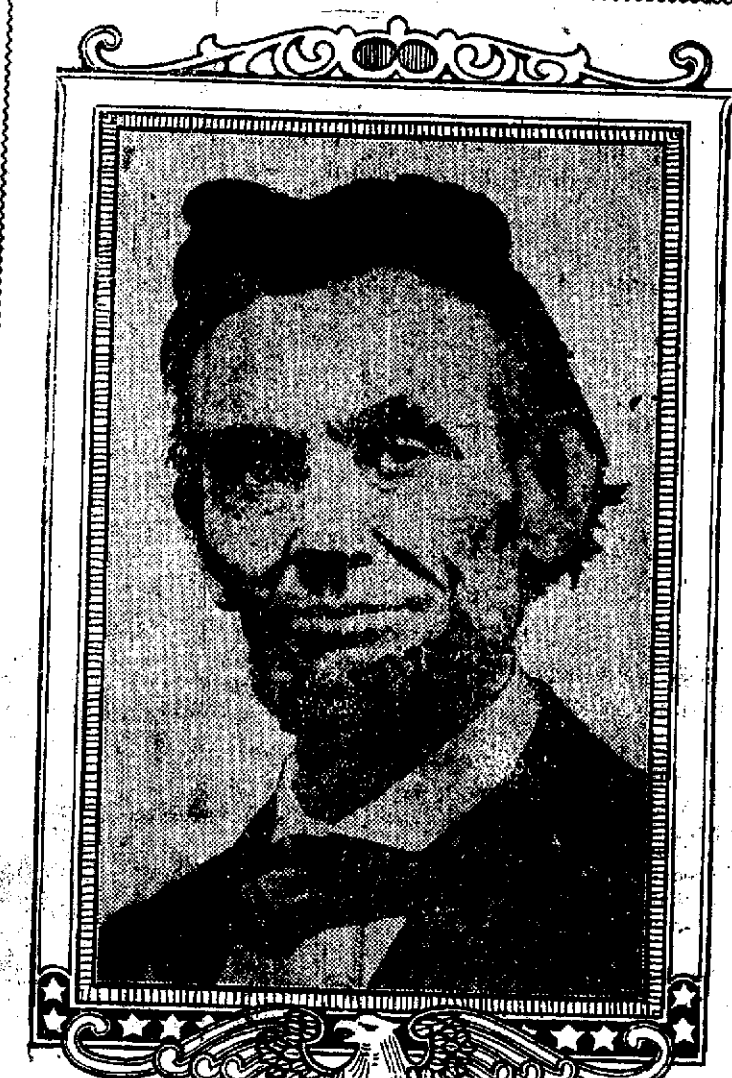

- (1) Hearing reports of officers for 1918.
 - (2) Election of officers for 1919.
 - (3) Considering plans for the enforcement of the dry laws.
 - (4) Adoption of resolutions.
- Delegates are expected from every church or community of the county. The following delegates are entitled to a voice in the convention:
- (1) Each pastor and two delegates from his church at large.
 - (2) Each Sunday school superintendent and one delegate from each organized Bible class.
 - (3) The president of each W. C. T. U. and one additional delegate from each W. C. T. U. of the county.
- The organizations will see that delegates are elected or appointed as outlined above.

The great initial prohibition victory is won, but to make it effective a mighty bulwark of enforcement must be provided.

Rev. and Mrs. Charles Baker returned from a visit to Confluence. Miss Gladys Fullington is visiting friends at Surveyor.

HELP SERVIA!

With the men crippled and tubercular, the women worn by the struggle for existence, and the children starving, Servia asks America for a "bit of cloth". During the war Servia was so inaccessible that relief work was impossible. In successive invasions, all clothing, furniture, plows and cattle were stolen. The Servian women can do wonders with a bit of cloth. It can be used as a head covering, a shawl, a skirt, or even made into shoes. Send strips of cloth (any size) to Mrs. Wright Bigler before Friday.

ABRAHAM LINCOLN

GRAMPIAN FOLKS MAKE MERRY

The war being over and the flu being stamped out and every body feeling fine the River Side Glee club, of Gramplan, held their first monthly dinner at the home of Mr. and Mrs. William H. Woodel and President Wilson or King George of England could not have asked for a more bountiful dinner.

The afternoon was well spent with interesting talks on home, church and foreign subjects when taps were sounded by Mrs. Woodel for every one to come to the dining room where a refilled table was groaning to be relieved.

These present were Mr. and Mrs. Frank Orcutt, Mr. and Mrs. W. C. Russell, Mr. and Mrs. W. I. Wall, Mr. and Mrs. Frank Clearer, Mr. and Mrs. Philip Bachelor, Mr. and Mrs. Hepburn, Mr. and Mrs. H. C. Spencer, Mr. and Mrs. W. E. Derrick.

JOINED GOOD ROADS
ASSOCIATION

G. A. Flink, the well known Harrisburg civil engineer, who has done much work for the Clearfield county commissioners and is one of Pennsylvania's pioneer good roads engineers and boosters was in Clearfield yesterday and showed his interest in Clearfield county affairs by enrolling as a member of the Clearfield County Good Roads association. Mr. Flink's membership will no doubt prove of decided advantage to our local association as he was formerly connected with the State Highway department and his volunteer counsel and advice on road matters and procedure will be highly valuable.

WOMAN'S CLUB ENDORSES
PROJECT OF SOLDIERS'
MEMORIAL LIBRARY

The Woman's club adopted resolutions at last evening's meeting to endorse all efforts on the part of any organization of the town or any individual effort, to secure a free public library, as a memorial to the soldiers of the town of Clearfield.

EXPECT PRESIDENT TO TAKE PERSONAL
CHARGE OF UNEMPLOYMENT PROBLEM

(By United Press)

WASHINGTON, Feb. 12.—With President Wilson planning to take personal charge of the unemployment situation on his return from France, Department of Labor officials have decided to call a conference of governors early in March over which the President will preside. Hoping to solve the problem immediately, the President has cabled that he will hasten his return from France a few days in order to attend the conference.

The general stagnation of industry throughout the country with the resultant unemployment will be the chief topic of discussion, it is stated. Attention will be given to the prevalence of strikes but local agents are confident that many of these troubles will be wiped out with a brisk resumption of peace time industry.

7500 TROUBLE MAKERS GET A TRIP TO
EUROPE AT THE EXPENSE OF UNCLE SAM

(By United Press)

WASHINGTON, Feb. 12.—Anarchists, Bolsheviks, I. W. W.'s, and other undesirable aliens numbering about 7,500 will be deported by the Bureau of Immigration within the next few months, Director Caminetti announced today. The undesirables will be sent back as fast as ships can be found to take them. During the war the bureau made many arrests of aliens who threatened to destroy property or overthrow the American government. Ample authority for their deportation was given by Congress, the Director said.

NOTED MEN WILL
ADDRESS FARMERS
AT STATE COLLEGE

State College, Pa., Feb. 11.—Both state and national workers in the field of agriculture will address the farmers of Pennsylvania at State College, February 2 to 28, in connection with the thirteenth annual Farmers' week at the school of agriculture.

Frederic Rasmussen, secretary of agriculture, will be heard Wednesday, February 26, when he will discuss the outlook for Pennsylvania agriculture. On the same day, H. N. Morse, of New York, will speak on the church and rural construction.

Editors of the leading agricultural papers also will be present and will discuss timely topics. E. S. Bayard, editor of the National Stockman and Farmer, will talk about the future of the livestock business on Wednesday, February 26. Post-war activities in Pennsylvania agriculture is the subject assigned to W. J. Spillman, editor of the Farm Journal, of Philadelphia. H. W. Collingwood, editor of the Rural New Yorker, is scheduled to speak on the relation of the agricultural college to the agricultural press.

F. H. Stoneburn, president of the Pennsylvania Poultry association, will explain the work of the organization as well as talk about the chicken crop of this year. The story of how he bred up a herd of cows will come first hand from George H. Putnam of Conotoocok, N. H., and W. S. Beach, of Bustleton, will tell of his experimental work with lettuce and celery diseases.

WOUNDED YANKEE IN TOWN

James Eagan, a former Curwensville resident was visiting old Clearfield friends yesterday. Jim was one of the yanks who battered the famous Hindenburg line into the discard.

He was caught in a burst of shrapnel while going over the top near Cambrai on September 25th last and had his left arm shattered completely. The injured member was removed at the shoulder joint.

In addition to the loss of his arm Eagan suffered other wounds on his back and neck. He has fully recovered and landed in this country on December 16th.

He was with the 73d New York Regiment with the 27th division and had many thrilling experiences while battling the hun. Eagan is a Spanish American war veteran as well.

I saw it in The Progress.

GOOD ROADS CLUB
IS ORGANIZED AT
GLEN RICHEY

A local branch of the Clearfield County Good Roads association was organized at Glen Richey last evening with a fair sized membership. The meeting was held in the K. G. E. hall and Messrs Joseph E. Phillips, Robert Callahan and J. D. Connelly representing the county association were present and explained the aims and objects of the organization.

The officers of the new organization are D. W. Young, President; W. O. Batcheller and Joseph Hewitt, vice Presidents; James Demt, secretary and R. T. Morgan, treasurer. The chair was authorized to appoint an executive committee and membership committee of five, which will be done at an early date and a strenuous membership campaign started.

The Glen Richey and O'Shanter people are badly in need of about one mile of improved road to connect the two towns. At present during the major portion of each year this road is knee-deep in mud and practically impassable and as the Glen Richey people have to travel it somehow to get to the train at O'Shanter they feel they should have it improved.

A petition for state aid for the improvement was circulated at this meeting and very generally signed. As soon as the required number of taxpayers sign up the petition will be presented to the township supervisors and then presented in turn to the county commissioners and state highway department for approval and proper action.

WANT FIRST SOLDIERS'
MEMORIAL

The electors of the City of DuBois will be asked on March 4th, to vote on a bond proposition calling for the expenditure of \$135,000 for public improvements. Of this sum \$50,000 is proposed to be used for the erection of a municipal or city building; \$10,000 for the purpose of straightening Sandy creek which is as crooked as some DuBois politicians. The remainder, \$25,000 will be used for improving the streets of the city and \$50,000 to be applied to the widening, filling and improving North Brady street from the South Side of Sandy Lick creek northerly to Railroad avenue, which said improvements is to be a memorial for the soldiers, sailors and marines in the war of 1917.

WEDNESDAY EVENING, FEBRUARY 12, 1919

We feel like saying Merry Christmas today.

Have you organized a Good Roads Club in your community yet?

WHAT ARE WE TO DO ABOUT IT?

Apparently the unemployment problem is increasing the number of vagrants. Every morning brings its new crop of what we commonly call tramps to our back doors for coffee and sandwiches. Just after declaration of war we were justified in treating these men with contempt and scorn and using harsh measures to compel them to go to work and earn a living for themselves and become an integral part of the great army of producers. Conditions have changed somewhat and many of our people are debating what course to take with these men who come to our doors hungry on cold mornings. While it is to be expected that the professional tramp is capitalizing the situation there are many men hitting the ties today who are the victims of circumstances. This is not a plea for the tramp but is written with the sole idea of asking whether somebody cannot suggest some method of separating the wheat from the chaff. Many are loath to turn the hungry man away without giving what he asks for fear that he might be deserving. Is our wartime treatment of tramps to be continued or will we turn good Samaritan to the hungry and the unfortunate?

SAVING AS AN ASSET OF A NATION

Of the benefit to a nation of popular investment in Government securities of small denominations, a student of the British War Savings movement, writes:

"All the nation's power to save and accumulate capital depends upon an excess of income over necessary expenditure and as this power to save is obviously greater amongst the well-to-do, it is imperative that future propagandist work should be conducted amongst the upper and middle classes no less than amongst the wage earners."

The work must also be continued amongst the wage earners, for obvious reasons. We all realize the advantages to be derived by the state from the more even distribution of wealth which an increase in the number of small investors implies. We all realize the greater stability which a large number of small investors must give to the financial situation. It is certain also that wise spending and saving amongst the masses of the people tends to increase their efficiency and develop their self-respect. It must also result in the growth of a more efficient race of producers in the next generation. In this generation wise spending may ultimately have no less beneficial effects than saving although not so immediately adding to the material wealth of the nation."

There is food for thought in this for the people of the nation with our War Savings Stamps so accessible.

AN ADDITION TO THE CABINET

If the bill introduced by Representative Horace M. Towner of Iowa becomes a law there will be created a new Government department, known as the Department of Education. This would also make necessary a Secretary of Education, who would receive the regular cabinet salary of \$12,000 a year. As far as the general system of the department is concerned, it would be managed on the same basis as all other departments and it would absorb the Bureau of Education and all other war-emergency commissions or boards or educational activities that in the judgment of

the President should be transferred to this new department. The Secretary of Education is made all powerful in the adjusting of all bureaus, boards, commissions, etc., transferred to his department by this act. The specific duty of the Secretary would be to encourage the States in the development of public educational facilities, including public-health education. An appropriation of \$500,000 annually is made for the paying of salaries and expenses and for the creating of a system of attaches to American embassies abroad to deal with educational matters. One hundred million dollars is appropriated annually to encourage the promotion of educational matters in the States. A part of this sum is to be used for the removing of illiteracy; a part for the Americanization of immigrants; a part for the providing of better school instruction in the grade and high schools. In order to share in this money, the States must maintain in every public school district a school for at least twenty-four weeks and provide compulsory attendance and the English language as the only basic language. Another part of the appropriation is set aside for physical and health education, including the maintenance of dental clinics, the furnishing of school nurses and the instruction of the people in health and sanitation. In addition to these provisions the bill is complete in taking care of every phase of education and looks to the betterment of educational facilities, including the education of teachers both before and after they are established in a regular school.

What Could Be More Seasonable Than These Winter Things In Our Mid-Winter Clearance

Now the Winter has set in to give us some of the real article these seasonable things that we're selling at prices way below normal will come in handier than the proverbial pocket in a shirt.

Some of the things that we placed on sale were closed out very quickly but we still have a host of articles that are worthy of your inspection and you'll be missing an opportunity to save if you don't drop in and shop around.

HERE ARE A FEW OF THE SAVINGS

BEAT THE WEATHER MAN. HERE'S BLANKETS TO DO IT.

All Wool Blankets that were \$8, \$10 and \$12 are now \$7, \$8.50 and \$10

Plenty of patterns light and dark.

Ross & Woods

THE HOME OF THE EDUCATOR SHOE

WOMAN'S CLUB MEETING WELL ATTENDED

Despite the number of social events scheduled for Tuesday evening the Woman's club meeting was well attended.

Mrs. George Reed, at whose home the meeting was held, was hostess, and the President, Mrs. Harry Boulton, was in the chair.

Mrs. R. H. McWhinney read the minutes of the previous meeting, also the minutes of the State Federation convention held in Clearfield January 28th and 29th.

Mrs. R. I. Fulton, treasurer, gave a fine report.

Mrs. Wright Migler made an appeal to the club to contribute to the ship load of wearing apparel soon to be sent to destitute Serbia.

Mrs. W. A. Hagerty, chairman of the tuberculosis committee told of the splendid work done in the past, and asked that a delegate be sent to Harrisburg to attend the state health convention.

Mrs. Boulton read a beautiful little poem called "The Open Boat".

Mrs. H. Clark Thayer was appointed chairman of a committee to confer with any organization or individual, interested in the movement to secure a soldiers' memorial.

A BEAUTIFUL ROLL

There was a game with Brookville that eve
And Brookville's captain, a guy named Steve
Pushed one of our players against the wall,
And poor Ed was scared and began to bawl.

Ed picked himself up and Steve brushed him off,
And then sat there and began to cough,
But Ed was not smiling as you can bet,
But said to himself, that fellow I'll get.

About two minutes later with Clearfield ahead,
It happened as usual, as Ed had said
A Brookville player slid over the floor
Away on his nose, and bumped into the door.

Oh, sad things have happened, and have been done
But when that poor player hit the floor with his bun
You could hear his shriek all over the sun,
But Ed only sighed and said it was done.

That poor boob went home with a bump on his head
And thought, poor fellow, that he was about dead
But when he got out of the train that night
He was, indeed, in a very sad plight.

R. K.

WETS TO MAKE EFFORT TO RECONSIDER RATIFICATION

By United Press
Harrisburg, Feb. 12.—Dry forces throughout the state were aroused to feverish activity today through stories that at a meeting of the House of Representatives next Monday night in an effort will be made to reconsider the vote by which the House ratified the national prohibition amendment. The vote was 111 to 93 and to reconsider it will require at least 104 votes so that the 93 wets must secure 11 from the ranks of those who voted dry. The wet forces count upon Allegheny and Philadelphia to furnish the needed votes, the dries learned today. Many dry eladers will confere here tomorrow.

More than 17,000 women are employed in the war department office in Paris.

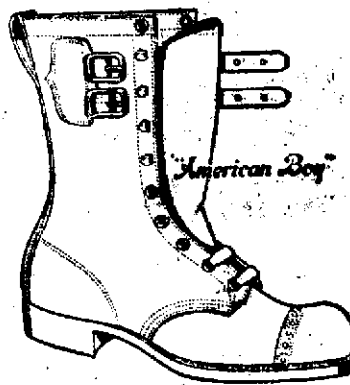

"HITS MY CASE," SAYS CIVIL WAR VETERAN

Adam Loe, 80 years old, Civil War veteran, last man of his company and retired from the Philadelphia & Reading R. R. after 35 years' service who lives at 212 E. Willard St., Philadelphia, says:

"I suffered from stomach trouble poor appetite and belching gas. My sleep was badly broken and I couldn't seem to mend. I was getting discouraged when I heard about a man who had taken Tanlac. It hit my case, and I bought some. Now I'm getting along nicely. I recommend Tanlac because it's a good remedy to correct and soothe troubles of bladder and inflammation."

The genuine J. I. Gore, Co. Tanlac is now sold by Stewart Drug Co., and Woodward & McPherson.

Boy's High Top Shoes
\$2.95
The Pair

This is less than it cost to manufacture any of these wonderful high top shoes for boys. All sizes in the lot. Most of them formerly sold at \$4.50, \$4.75 and \$5.00. We have placed them all on one table and marked one price on them to move them out this week. Just the kind of a shoe for school or rough wear. Made of solid leather, too. Be quick if you want a pair.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a yellow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone by taking up the liver and clearing the system of impurities. You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

NEWS OF OUR NEIGHBORS CURWENSVILLE

The first game of the new schedule in the Duck-Pin league, conducted by the teams of the C. R. Co., was played in the local alley last evening. The office team, trimmed the "stuffed" team of the superintendents for a total of 57 pins. H. Smith rolled high for the office with 331 while "Prase" Smith took superintendent honors with 344. The first game went to the office team by 25 points. The second was allowed the superintendents by a score of 18 pins (an unusually high over-score for this team to bowl) and after making them feel ace high with their little old 18 pins, the office team walked away with the third game and a score of 50 pins. As to a man the vanquished team, with uplifted arm (voices ditto) vow to roll a higher score "next time". Whether they mean a higher score than their opponents or just an improvement over their own score of 18 pins remains to be seen.

Mrs. D. R. Newcomer who has been spending the past six months at Hambleton, W. Va., is now with her daughter, Mrs. W. L. Dale on Walnut street.

Mrs. Martha Bloom is in Clearfield today to attend the funeral of the late George W. Gray.

Mr. and Mrs. Drew Weaver who have been residing with Mrs. Appan Bloom left on Monday for Watson town, Pa., where they will make their future home.

Emanuel Hayley and son Paul, most efficient men in their line, are engaged in painting and doing interior decorating at the residence of Thaddeus Cassidy on River street. When the work there is completed they will start work at the Arnold homestead which is present owner, C. O. Norris is having remodeled on the duplex plan.

J. D. Haines, P. R. R. station master, spent Sunday and Monday with his mother at her home in Beaver Falls, Pa.

A. Kujawa returned today from a business trip to New York, Philadelphia and other eastern cities.

William Freeman, one of Grant's oldest and well known citizens suffered a paralytic stroke at his home at that place, today. His condition is reported as very serious.

LADIES' AID SOCIETY

The Ladies' Aid Society of Trinity M. C. church will have a business meeting Thursday afternoon at 3 o'clock. Several matters of interest to every member of the organization will be presented, among which is the election of officers, and there should be a large attendance at this meeting. The business session will be followed by a social hour, when the usual lunch will be served, to the enjoyment of which all the members and friends of the church are invited.

WILLIAM R. WILSON DIED

William R. Wilson died at his home on River street at five o'clock Sunday morning. He is survived by his wife and one daughter, three sisters, Mrs. Jennings, of Philipsburg, Mrs. John Duckett, of Hillsdale, one brother, David Freeman, of Clearfield and step father, Henry Freeman, of Clearfield. Rev. Hartman officiated.

CLEARFIELD GIRLS WIN EXCITING GAME WITH DUBOIS TEAM

Our Clearfield girls of the Young Ladies Ball team chosen from Physical Director Graham's Y. M. C. A. gymnasium class journeyed to Dubois last evening, and defeated their Dubois sisters in one of the best and perhaps one of the longest games played by any girls basketball teams in Pennsylvania, to the tune of 10 to 8.

The score was tied at the end of the last ten minute quarter and both teams were so evenly matched and closely guarded that they had to play four extra five minute periods when Vernace Pooler ended and won the game by scoring a field goal in the first minute of the fifth five minute extra period. Our girls won the game by fast floor work and passing the ball.

The game was clean and fast from start to finish. The Dubois girls entertained our girls royally by meeting them at the train with cars and served a lunch after the game.

Clearfield	DuBois
Barrett	F.
Pooler	F.
Beish	C.
Geppert	G.
Smith	G.

Substitutes: Clearfield Ardrey and Sommerville; DuBois, Harbridge.

Field goals: Beish 1, Geppert 1, Pooler 1, Gillung 2, Kerr 1, Work 1.

Foul goals: Geppert 4.

Referee: Rounsley, Umpire, Grafius, Scorer, Overly, Time-keeper, Rowles.

Time of playing, four ten minute periods and five extra five minute periods.

Our girls will play the Philipsburg High school girls Saturday evening, February 15 at 9 o'clock at the Y. M. C. A.

SOUDER HEAT REGULATOR

GET WISE

"Business Acumen consists of recognizing
good investment and taking advantage of them."

The Souder Heat Regulator pays big and regu-
lar dividends in savings affected.

Any article is judged according to its merits.
The Souder Heat Regulator abounds in meritorious
qualities. Its outstanding features are: the sav-
ings it effects in fuel, money and health; its ex-
tremely low and almost insignificant cost of op-
eration; the perfect accurate and faithful perform-
ance of its functions in maintaining the Home
warm, comfortable and healthy at all times. An
unconditional Guarantee is back of every instru-
ment installed.

The above are the considerations which make
it an enviable, modern economic household utility.

Call and see us demonstrate it and give you
full particulars or else phone us and we will gladly
send a representative to you.

evening at 7:30.

Y. M. C. A. KITTENS DEFEAT ENNIS' WILD CATS

At last the deed has been done and
to think that it was done by the poor
homeless Kittens staying at the Y. M.
C. A. The Wild Cats took the back
road home last night and they went
very quietly so as not to disturb any
of the peaceful law-abiding citizens
along the way.

The Y. M. C. A. team deserves
credit for this victory. The Wild Cat
team was considered unbeatable up
until this time. The Wild Cats have
been tamed and the Kittens have gone
wild over their victory.

The score:

NO REASON FOR IT

When Clearfield Citizens Show a Way

There can be no reason why any
reader of this who suffers the tor-
tures of an aching back, the annoy-
ance of urinary disorders, the pains
and dangers of kidney ills will fail to
heed the words of a neighbor who
has found relief. Read what a Clear-
field citizen says:

Mrs. Mary C. Passmore, 419 W.
Front street, says: "I have suffered
off and on for a good many years with
kidney trouble. When one of these
attacks has come on my back has
been lame and sore and I have had
dull bearing down pains across my

kidneys. My kidneys have acted too
frequently and I have had nervous
spells. I have used Doan's Kidney
Pills at these times. They have al-
ways eased the pains through my
back and head, regulated my kidneys
and removed the nervous and dizzy
spells."

Price 60c at all dealers. Don't
simply ask for a kidney remedy—get
Doan's Kidney pills—the same that
Mrs. Passmore had. Foster-Milburn

church tonight. Everybody invited.

LEAGUE CONSTITUTION'S ADOPTION WILL
BE DELAYED BY HITCH ON AMENDMENTSFRENCH NOT IN ACCORD WITH WILSON
ATTITUDE TOWARD RUSSIA AND HUNSPRESIDENT STILL HAS HOPES THAT THE
PROBLEMS WILL BE SOLVED AND
DELAYS RETURN TWO DAYS

NOW EXPECTS TO LEAVE MONDAY

By FRED S. FERGUSON

(United Press Staff Correspondent)

PARIS, Feb. 12.—Whether obstructionists will gain a temporary victory by blocking the final adoption of the League of Nations constitution prior to the President's departure for the United States as well as further stirring up Paris with a war scare will be determined within the next thirty-six hours.

The League of Nations committee is scheduled to take final action tomorrow on the constitution. The committee's work will be hampered by the fact that many of the amendments presented at recent meetings are not yet entirely agreed on.

The amendments to the League's constitution are understood to have been introduced largely by the French who are said to be developing an attitude of distrust for President Wilson who is inclined to be defending the Germans and the Bolsheviks. This attitude has not only been demonstrated in the French press but in the League of Nations committee. The French have insisted that the constitution be amended to provide for the establishment of a great international tribunal to be stationed in Geneva as well as further restriction of the German and Russian armaments.

By ROBERT J. BENDER

(United Press Staff Correspondent)

PARIS, Feb. 12.—Delay in the completion of the League of Nations constitution may necessitate President Wilson's return to France immediately after adjournment of Congress, it was learned today. He is so anxious to carry back with him a final draft of the constitution that his departure has been postponed from Friday until Sunday or Monday, which will result in his reaching America about February 25. Unless the full agreement is reached by the league committee tomorrow the submission of the constitution of the plenary session this week is out of the question. The President has been selected to read the draft to the full conference.

NEWS JOTINGS OF
STATE COLLEGE MEN
KNOWN ABOUT HERE

Sergeant Spencer M. Free, of DuBois, has been decorated with the Italian war cross. He was one of the thirty-six former students of the Pennsylvania State College honored for bravery and excellent service in the last Italian offensive. All the decorated soldiers are members of Section 529, U. S. ambulance corps, which has seen service in Italy for the last six months. Before he enlisted, Sergeant Free was a junior in the school of agriculture at Penn State.

Nathan J. Locke, Jr., of Bellefonte, a member of the senior class in the school of Liberal Arts of the Pennsylvania State College, is a promising candidate for the Blue and White wrestling team. He is a heavy-weight grappler of great strength, having won honors in the recent inter-class wrestling tournament at Penn State. He was one of thirty men taken to the training table this week.

SUNDAY SCHOOL NIGHT
AT BAPTIST CHURCH

Tonight is special Sunday school night at the revival services at the First Baptist church. Rev. Smith will preach a special sermon to young people and each young man and woman in the town who can possibly do so should attend this service. Everybody is urged to attend the service.

LEGISLATORS WILL
STOP RAILROADING
OF NEW MEASURES

By United Press
Harrisburg, Feb. 12.—There will be no more railroading of bills in the Assembly of Pennsylvania during the balance of the session. A "legislative league" comprising members of the House has been formed to act as a brake to legislation. Its chairman, and board leader elect is Robert L. Wallace, of New Castle. The league officials declared today that the league had about 75 members who will act in unison.

FIREMEN'S DEMONSTRATION
TOMORROW NIGHT

All firemen should make it a point to attend the first aid demonstration, at No. 1 hose house tomorrow evening at 7:30 o'clock.

Mr. Berry in charge of the U. S. government car, who is instructing the first aid class each afternoon, has arranged tomorrow evening's demonstration especially for the firemen and all should turn out as it should prove highly interesting and instructive.

The apparatus will be demonstrated downstairs, following a lecture to the firemen in No. 1 hall.

Miss Alverta Aurand of Luthersburg, spent the day with Lena Kolbe.

Chester Wingert of DuBois, transacted business in town.

TOMORROW WILL
BE SENTENCE DAY

Thursday will be getaway day in the Clearfield county criminal courts and the county jail. Judge Bell and Judge Corbett will parcel out their "just dues" to some fifteen or twenty malefactors of varying degrees of reprehensibility. In the long list, the longest in any one single instance in the criminal history of Clearfield county, will be found violators of the common proprieties as well as about every other statute inscribed upon the "thou shalt not" books of the magnificent commonwealth Old Billy Penn swiped from our original American cousins in return for a few strings of beads and a swig or two from a long, large, dark bottle.

It may be some consolation for these victims of the law's majesty to know that when old Billy Penn or his representative, said to be his nephew, poled his birch bark canoe up the West Branch on his trip to establish the uttermost northwestern boundary of Pennsylvania, he camped one day at the noon hour on the very site of the present county jail, and cooked his frugal dinner, dining off the juicy steak of a young buck deer he slaughtered as the deer was quaffing the cooling waters of Moose Creek where that turbulent stream enters the river just below the Third ward.

However be that as it may, out of the some forty or more prisoners in the county jail no less than fifteen will face Judges Bell and Corbett Thursday morning at 9 o'clock to discover what their individual portions of the "wages of sin" amount to. These sentences will range from death in the electric chair down to a fine and costs and admonition not to do it again. There will be several penitentiary terms handed out and the total of years to serve promise to make another record.

L. J. Wise, of Third Ward, whose automobile knocked down and so seriously injured J. Wallace Chase on Nichols street September 19th last, and who was convicted of assault and battery upon Mr. Chase at last week's court as a result of the happening, will be called for sentence on Friday morning.

TRINITY METHODIST CHURCH
NOTES

The Women's Foreign Missionary society met with Miss Maud Powell this afternoon. The study period in charge of Miss Mary King was on the subject "Women Workers of the Orient."

Following the prayer meeting service this evening there will be a meeting of all the unit leaders and the local centenary council, to discuss plans for carrying out the church program of the centenary movement.

Tuesday afternoon the Ladies Aid Society will have a business session at 3 o'clock and this will be followed by the social hour at which the usual lunch will be served.

These affairs have been very popular with the members and friends of Trinity church and it is expected there will be a large number present tomorrow afternoon to enjoy the fellowship hour and the delicious lunch that will be served.

Mrs. G. W. Brantner and daughter Miss Julia has returned to their home on exile avenue after spending two months visiting her daughter Mrs. J. M. Hemmes at Portland, Maine. Mrs. Hemmes and little son Robert accompanied them home and expect to spend some time here. Mr. Hemmes will arrive later.

Clarence Holcombe returned from Philadelphia where he visited his fiancée.

DRY FEDERATION TO
MEET HERE FEB. 24
LICENSE COURT DAY

The annual meeting of the Clearfield County Dry Federation will be held at the Clearfield, Pa., Y. M. C. A. auditorium, Monday, February 24th, 1919.

The regular session will be held at 1:30 o'clock p. m. A preliminary session will likely be held at 11:30 a. m.

Many of the delegates will wish to spend some time at license court, which has been called by Judge Bell for the morning of this same date.

Some of the business to come before this meeting of the Dry Federation.

(1) Hearing reports of officers for 1918.
(2) Election of officers for 1919.
(3) Considering plans for the enforcement of the dry laws.

Delegates are expected from every church or community of the county.

The following delegates are entitled to a voice in the convention:
(1) Each pastor and two delegates from his church at large.

(2) Each Sunday school superintendent and one delegate from each organized Bible class.

(3) The president of each W. C. T. U. and one additional delegate from each W. C. T. U. of the county.

The organizations will see that delegates are elected or appointed as outlined above.

The great initial prohibition victory is won, but to make it effective a mighty bulwark of enforcement must be provided.

Rev. and Mrs. Charles Baker returned from a visit to Confluence. Miss Gladys Fullington is visiting friends at Surveyor.

HELP SERVIA!

With the men crippled and tubercular, the women worn by the struggle for existence, and the children starving, Servia asks America for a "bit of cloth". During the war Servia was so inaccessible that relief work was impossible. In successive invasions, all clothing, furniture, plows and cattle were stolen. The Servian women can do wonders with a bit of cloth. It can be used as a head covering, a shawl, a skirt, or even made into shoes. Send strips of cloth (any size) to Mrs. Wright Bigler before Friday.

ABRAHAM LINCOLN

GRAMPIAN FOLKS MAKE MERRY

The war being over and the flu being stamped out and every body feeling fine the River Side Glee club, of Grampian, held their first monthly dinner at the home of Mr. and Mrs. William H. Woodel and President Wilson or King George of England could not have asked for a more bountiful dinner.

The afternoon was well spent with interesting talks on home, church and foreign subjects when taps were sounded by Mrs. Woodel for every one to come to the dining room where a refilled table was groaning to be relieved.

Those present were Mr. and Mrs. Frank Orcutt, Mr. and Mrs. W. C. Russell, Mr. and Mrs. W. I. Wall, Mr. and Mrs. Frank Clearer, Mr. and Mrs. Philip Bacheler, Mr. and Mrs. Hepburn, Mr. and Mrs. H. C. Spencer, Mr. and Mrs. W. E. Derrick.

JOINED GOOD ROADS
ASSOCIATION

G. A. Flink, the well known Harrisburg civil engineer, who has done much work for the Clearfield county commissioners and is one of Pennsylvania's pioneer good roads engineers and boosters was in Clearfield yesterday and showed his interest in Clearfield county affairs by enrolling as a member of the Clearfield County Good Roads association. Mr. Flink's membership will no doubt prove of decided advantage to our local association as he was formerly connected with the State Highway department and his volunteer counsel and advice on road matters and procedure will be highly valuable.

WOMAN'S CLUB ENDORSES
PROJECT OF SOLDIERS'
MEMORIAL LIBRARY

The Woman's club adopted resolutions at last evening's meeting to endorse all efforts on the part of any organization of the town or any individual effort, to secure a free public library, as a memorial to the soldiers of the town of Clearfield.

EXPECT PRESIDENT TO TAKE PERSONAL
CHARGE OF UNEMPLOYMENT PROBLEM

(By United Press)

WASHINGTON, Feb. 12.—With President Wilson planning to take personal charge of the unemployment situation on his return from France, Department of Labor officials have decided to call a conference of governors early in March over which the President will preside. Hoping to solve the problem immediately, the President has cabled that he will hasten his return from France a few days in order to attend the conference.

The general stagnation of industry throughout the country with the resultant unemployment will be the chief topic of discussion, it is stated. Attention will be given to the prevalence of strikes but local agents are confident that many of these troubles will be wiped out with a brisk resumption of peace time industry.

7500 TROUBLE MAKERS GET A TRIP TO
EUROPE AT THE EXPENSE OF UNCLE SAM

(By United Press)

WASHINGTON, Feb. 12.—Anarchists, Bolsheviks, I. W. W.'s, and other undesirable aliens numbering about 7,500 will be deported by the Bureau of Immigration within the next few months, Director Caminetti announced today. The undesirable will be sent back as fast as ships can be found to take them. During the war the bureau made many arrests of aliens who threatened to destroy property or overthrow the American government. Ample authority for their deportation was given by Congress, the Director said.

NOTED MEN WILL
ADDRESS FARMERS
AT STATE COLLEGE

State College, Pa., Feb. 11.—Both state and national workers in the field of agriculture will address the farmers of Pennsylvania at State College, February 2 to 28, in connection with the thirteenth annual Farmers' week at the school of agriculture.

Frederic Rasmussen, secretary of agriculture, will be heard Wednesday, February 26, when he will discuss the outlook for Pennsylvania agriculture. On the same day, H. N. Morse, of New York, will speak on the church and rural construction.

Editors of the leading agricultural papers also will be present and will discuss timely topics. E. S. Bayard, editor of the National Stockman and Farmer, will talk about the future of the livestock business on Wednesday, February 26. Post-war activities in Pennsylvania agriculture is the subject assigned to W. J. Spillman, editor of the Farm Journal, of Philadelphia. H. W. Collingwood, editor of the Rural New Yorker, is scheduled to speak on the relation of the agricultural college to the agricultural press.

F. H. Stoneburn, president of the Pennsylvania Poultry association, will explain the work of the organization as well as talk about the chicken crop of this year. The story of how he bred up a herd of cows will come first hand from George H. Putnam of Conneaut, N. H., and W. S. Beach, of Bustleton, will tell of his experimental work with lettuce and celery diseases.

WOUNDED YANKEE IN TOWN

James Eagan, a former Curwensville resident was visiting old Clearfield friends yesterday. Jim was one of the yanks who battered the famous Hindenburg line into the discard.

He was caught in a burst of shrapnel while going over the top near Cambrai on September 25th last and had his left arm shattered completely. The injured member was removed at the shoulder joint.

In addition to the loss of his arm Eagan suffered other wounds on his back and neck. He has fully recovered and landed in this country on December 16th.

He was with the 73d New York Regiment with the 27th division and had many thrilling experiences while battling the hun. Eagan is a Spanish American war veteran as well.

I saw it in The Progress.

GOOD ROADS CLUB
IS ORGANIZED AT
GLEN RICHEY

A local branch of the Clearfield County Good Roads association was organized at Glen Richey last evening with a fair sized membership. The meeting was held in the K. G. E. hall and Messrs Joseph E. Phillips, Robert Callahan and J. D. Connelly representing the county association were present and explained the aims and objects of the organization.

The officers of the new organization are D. W. Young, President; W. O. Batcheller and Joseph Hewitt, vice Presidents; James Dami, secretary and R. T. Morgan, treasurer. The chair was authorized to appoint an executive committee and membership committee of five, which will be done at an early date and a strenuous membership campaign started.

The Glen Richey and O'Shanter people are badly in need of about one mile of improved road to connect the two towns. At present during the major portion of each year this road is knee-deep in mud and practically impassable and as the Glen Richey people have to travel it somehow to get to the train at O'Shanter they feel they should have it improved.

A petition for state aid for the improvement was circulated at this meeting and very generally signed. As soon as the required number of taxpayers sign up the petition will be presented to the township supervisors and then presented in turn to the county commissioners and state highway department for approval and proper action.

WANT FIRST SOLDIERS'
MEMORIAL

The electors of the City of DuBois will be asked on March 4th, to vote on a bond proposition calling for the expenditure of \$135,000 for public improvements. Of this sum \$50,000 is proposed to be used for the erection of a municipal or city building; \$10,000 for the purpose of straightening Sandy creek which is as crooked as some DuBois politicians. The remainder, \$25,000 will be used for improving the streets of the city and \$50,000 to be applied to the widening, filling and improving North Brady street from the South Side of Sandy Lick creek northerly to Railroad avenue, which said improvements is to be a memorial for the soldiers, sailors and marines in the war of 1917.

All subscriptions not paid in advance are charged at forty cents a month.

Entered at Post Office at Clearfield, Pa., as second class matter.

WEDNESDAY EVENING, FEBRUARY 12, 1919

We feel like saying Merry Christmas today.

Have you organized a Good Roads Club in your community yet?

WHAT ARE WE TO DO ABOUT IT?

Apparently the unemployment problem is increasing the number of vagrants. Every morning brings its new crop of what we commonly call tramps to our back doors for coffee and sandwiches. Just after declaration of war we were justified in treating these men with contempt and scorn and using harsh measures to compel them to go to work and earn a living for themselves and become an integral part of the great army of producers. Conditions have changed somewhat and many of our people are debating what course to take with these men who come to our doors hungry on cold mornings. While it is to be expected that the professional tramp is capitalizing the situation there are many men hitting the ties today who are the victims of circumstances. This is not a plea for the tramp but is written with the sole idea of asking whether somebody cannot suggest some method of separating the wheat from the chaff. Many are loath to turn the hungry man away without giving what he asks for fear that he might be deserving. Is our wartime treatment of tramps to be continued or will we turn good Samaritan to the hungry and the unfortunate?

SAVING AS AN ASSET OF A NATION

Of the benefit to a nation of popular investment in Government securities of small denominations, a student of the British War Savings movement, writes:

"All the nation's power to save and accumulate capital depends upon an excess of income over necessary expenditure and as this power to save is obviously greater amongst the well-to-do, it is imperative that future propagandist work should be conducted amongst the upper and middle classes no less than amongst the wage earners."

The work must also be continued amongst the wage earners, for obvious reasons. We all realize the advantages to be derived by the state from the more even distribution of wealth which an increase in the number of small investors implies. We all realize the greater stability which a large number of small investors must give to the financial situation. It is certain also that wise spending and saving amongst the masses of the people tends to increase their efficiency and develop their self-respect. It must also result in the growth of a more efficient race of producers in the next generation. In this generation wise spending may ultimately have no less beneficial effects than saving although not so immediately adding to the material wealth of the nation."

There is food for thought in this for the people of the nation with our War Savings Stamps so accessible.

AN ADDITION TO THE CABINET

If the bill introduced by Representative Horace M. Towner of Iowa becomes a law there will be created a new Government department, known as the Department of Education. This would also make necessary a Secretary of Education, who would receive the regular cabinet salary of \$12,000 a year. As far as the general system of the department is concerned, it would be managed on the same basis as all other departments and it would absorb the Bureau of Education and all other war-emergency commissions or boards or educational activities that in the judgment of

the President should be transferred to this new department. The Secretary of Education is made all powerful in the adjusting of all bureaus, boards, commissions, etc., transferred to his department by this act. The specific duty of the Secretary would be to encourage the States in the development of public educational facilities, including public-health education. An appropriation of \$500,000 annually is made for the paying of salaries and expenses and for the creating of a system of attaches to American embassies abroad to deal with educational matters. One hundred million dollars is appropriated annually to encourage the promotion of educational matters in the States. A part of this sum is to be used for the removing of illiteracy; a part for the Americanization of immigrants; a part for the providing of better school instruction in the grade and high schools. In order to share in this money, the States must maintain in every public school district a school for at least twenty-four weeks and provide compulsory attendance and the English language as the only basic language. Another part of the appropriation is set aside for physical and health education, including the maintenance of dental clinics, the furnishing of school nurses and the instruction of the people in health and sanitation. In addition to these provisions the bill is complete in taking care of every phase of education and looks to the betterment of educational facilities, including the education of teachers both before and after they are established in a regular school.

WOMAN'S CLUB MEETING WELL ATTENDED

Despite the number of social events scheduled for Tuesday evening the Woman's club meeting was well attended.

Mrs. George Reed, at whose home the meeting was held, was hostess, and the President, Mrs. Harry Boulton, was in the chair.

Mrs. R. H. McWhinney read the minutes of the previous meeting, also the minutes of the State Federation convention held in Clearfield January 28th and 29th.

Mrs. R. I. Fulton, treasurer, gave a fine report.

Mrs. Wright Migler made an appeal to the club to contribute to the ship load of wearing apparel soon to be sent to destitute Serbia.

Mrs. W. A. Hagerty, chairman of the tuberculosis committee told of the splendid work done in the past, and asked that a delegate be sent to Harrisburg to attend the state health convention.

Mrs. Boulton read a beautiful little poem called "The Open Boat".

Mrs. H. Clark Thayer was appointed chairman of a committee to confer with any organization or individual, interested in the movement to secure a soldiers' memorial.

A BEAUTIFUL ROLL

There was a game with Brookville that eve
And Brookville's captain, a guy named Steve
Pushed one of our players against the wall,
And poor Ed was scared and began to bawl.

Ed picked himself up and Steve brushed him off,
And then sat there and began to cough,
But Ed was not smiling as you can bet,
But said to himself, that fellow I'll get.

About two minutes later with Clearfield ahead,
It happened as usual, as Ed had said
A Brookville player slid over the floor
Away on his nose, and bumped into the door.

Oh, sad things have happened, and have been done
But when that poor player hit the floor with his bun
You could hear his shriek all over the sun,
But Ed only sighed and said it was done.

That poor boob went home with a bump on his head
And thought, poor fellow, that he was about dead
But when he got out of the train that night
He was, indeed, in a very sad plight.

WETS TO MAKE EFFORT TO RECONSIDER RATIFICATION

By United Press

Harrisburg, Feb. 12.—Dry forces throughout the state were aroused to feverish activity today through stories that at a meeting of the House of Representatives next Monday night in an effort will be made to reconsider the vote by which the House ratified the national prohibition amendment. The vote was 111 to 93 and to reconsider it will require at least 104 votes so that the 93 wets must secure 11 from the ranks of those who voted dry. The wet forces count upon Allegheny and Philadelphia to furnish the needed votes, the dries learned today. Many dry eladers will confere here tomorrow.

More than 17,000 women are employed in the war department office in Paris.

"HITS MY CASE," SAYS CIVIL WAR VETERAN

Adam Loe, 80 years' old, Civil War veteran, last man of his company and retired from the Philadelphia & Reading R. R. after 35 years' service who lives at 212 E. Willard St., Philadelphia, says:

"I suffered from stomach trouble poor appetite and belching gas. My sleep was badly broken and I couldn't seem to mend. I was getting discouraged when I heard about a man who had taken Tanlac. It hit my case, and I bought some. Now I'm getting along nicely. I recommend Tanlac because it's a good remedy to correct and soothe troubles of bladder and inflammation."

The genuine J. I. Gore, Co. Tanlac is now sold by Stewart Drug Co., and Woodward & McPherson.

What Could Be More Seasonable Than These Winter Things In Our Mid-Winter Clearance

Now the Winter has set in to give us some of the real article these seasonable things that we're selling at prices way below normal will come in handier than the proverbial pocket in a shirt.

Some of the things that we placed on sale were closed out very quickly but we still have a host of articles that are worthy of your inspection and you'll be missing an opportunity to save if you don't drop in and shop around.

HERE ARE A FEW OF THE SAVINGS

BEAT THE WEATHER MAN. HERE'S BLANKETS TO DO IT.

All Wool Blankets that were \$8, \$10 and \$12 are now \$7, \$8.50 and \$10
Cotton Blankets, full bed size, formerly priced \$2.75, \$3.25 and \$3.50, now \$2.47, \$2.92 and \$3.15

Prepare To Make Your Income Tax Report

The New Revenue Bill, now before Congress will probably pass, within a week, in substantially its present form.

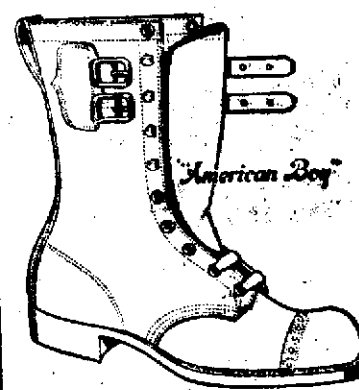

The Income Tax imposed is considerably heavier than under the present law, and according to indications, reports must be made not later than March 15th.

We strongly urge our customers to prepare their statements of income at once, so that no time may be lost in filing tax reports when the blanks are issued.

We shall be glad to advise you in the preparation of your reports.

Trade at Workman's stores Saturday. The Building Fund of the First Baptist church gets the 5 per cent. of the gross sales.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a yellow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone by taking up the liver and clearing the system of impurities. You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

NEWS OF OUR NEIGHBORS CURWENSVILLE

The first game of the new schedule in the Duck-Pin league, conducted by the teams of the C. R. Co., was played in the local alley last evening. The office team, trimmed the "stuffed" team of the superintendents for a total of 57 pins. H. Smith rolled high for the office with 331 while "Prase" Smith took superintendent honors with 344. The first game went to the office team by 25 points. The second was allowed the superintendents by a score of 18 pins (an unusually high over-score for this team to bowl) and after making them feel ace high with their little old 18 pins, the office team walked away with the third game and a score of 50 pins. As to a man the vanquished team, with uplifted arm (voices ditto) vow to roll a higher score "next time". Whether they mean a higher score than their opponents or just an improvement over their own score of 18 pins remains to be seen.

Mrs. D. R. Newcomer who has been spending the past six months at Hambleton, W. Va., is now with her daughter, Mrs. W. L. Dale on Walnut street.

Mrs. Martha Bloom is in Clearfield today to attend the funeral of the late George W. Gray.

Mr. and Mrs. Drew Weaver who have been residing with Mrs. Appar Bloom left on Monday for Watson town, Pa., where they will make their future home.

Emanuel Hayley and son Paul, most efficient men in their line, are engaged in painting and doing interior decorating at the residence of Thaddeus Cassidy on River street. When the work there is completed they will start work at the Arnold homestead which is present owner, C. O. Norris is having remodeled on the duplex plan.

J. D. Haines, P. R. R. station master, spent Sunday and Monday with his mother at her home in Beaver Falls, Pa.

A. Kujawa returned today from a business trip to New York, Philadelphia and other eastern cities.

William Freeman, one of Grant's oldest and well known citizens suffered a paralytic stroke at his home at that place, today. His condition is reported as very serious.

LADIES' AID SOCIETY

The Ladies' Aid Society of Trinity M. C. church will have a business meeting Thursday afternoon at 3 o'clock. Several matters of interest to every member of the organization will be presented, among which is the election of officers, and there should be a large attendance at this meeting. The business session will be followed by a social hour, when the usual lunch will be served, to the enjoyment of which all the members and friends of the church are invited.

WILLIAM R. WILSON DIED

William R. Wilson died at his home on River street at five o'clock Sunday morning. He is survived by his wife and one daughter, three sister, Mrs. Jennings, of Philipsburg, Mrs. John Duckett, of Hillsdale, one brother, David Freeman, of Clearfield and step father, Henry Freeman, of Clearfield. Rev. Hartman officiated.

CLEARFIELD GIRLS WIN EXCITING GAME WITH DUBOIS TEAM

Our Clearfield girls of the Young Ladies Ball team chosen from Physical Director Graham's Y. M. C. A. gymnasium class journeyed to DuBois last evening, and defeated their DuBois sisters in one of the best and perhaps one of the longest games played by any girls basketball teams in Pennsylvania, to the tune of 10 to 8.

The score was tied at the end of the last ten minute quarter and both teams were so evenly matched and closely guarded that they had to play four extra five minute periods when Vernace Pooler ended and won the game by scoring a field goal in the first minute of the fifth five minute extra period. Our girls won the game by fast floor work and passing the ball.

The game was clean and fast from start to finish. The DuBois girls entertained our girls royally by meeting them at the train with cars and served a lunch after the game.

Clearfield DuBois
Barrett F. Work
Pooler F. Murphy
Beish C. Gillung
Geppert G. Kerr
Smith G. Moore

Substitutes: Clearfield Ardrey and Sommerfield; DuBois, Harbridge.

Soldiers And Sailors

Don't Drop That Government Insurance.

The Bureau of War Risk Insurance has announced plans for the future conduct of the Soldiers and Sailors Insurance.

Our Life Insurance Department has secured detailed information concerning the conversion, the various forms, etc. of this insurance and we will be glad to explain these to you.

Any Service which we might be able to render you will be gladly given without cost or obligation on your part.

Come into our office any time, and ask us about your policies. We are open evenings.

By all means do not drop that insurance until you know what the new policies hold for you.

HELMBOLD & STEWART

Clean Your Walks With A Powell Shovel

We've about every description of snow shovel that you'll need to clear the accumulation of snow from your walks.

All wood, steel aprons, the big wide ones for the fellow with lots of shoveling—a snow shovel for every purpose. Then, too, we have the little scraper for the snow that has been tramped hard.

SOUDER HEAT REGULATOR

GET WISE

"Business Acumen consists of recognizing
good investment and taking advantage of them."

The Souder Heat Regulator pays big and regu-
lar dividends in savings affected.

Any article is judged according to its merits.
The Souder Heat Regulator abounds in meritorious
qualities. Its outstanding features are: the sav-
ings it effects in fuel, money and health; its ex-
tremely low and almost insignificant cost of op-
eration; the perfect accurate and faithful perfor-
mance of its functions in maintaining the Home
warm, comfortable and healthy at all times. An
unconditional Guarantee is back of every instru-
ment installed.

The above are the considerations which make
it an enviable, modern economic household utility.

Call and see us demonstrate it and give you
full particulars or else phone us and we will gladly
send a representative to you.

a few days at the home of G. N. El-
lenberger on Market street.
E. D. Billott, of Leontes Mills,
transacted business here today.
Mr. and Mrs. Emmett Ellenberger
and son who have been visiting at the
home of G. N. Ellenberger on West
Market street left for Philadelphia
today.
Mrs. Condon, of Merrill street en-
tertained the members of her Sunday
school class last evening.
There will be a meeting in the Y.
M. C. A. of the W. C. T. U. Thursday
evening at 7:30.

Y. M. C. A. KITTENS DEFEAT ENNIS' WILD CATS

At last the deed has been done and
to think that it was done by the poor
homeless Kittens staying at the Y. M.
C. A. The Wild Cats took the back
road home last night and they went
very quietly so as not to disturb any
of the peaceful law-abiding citizens
along the way.

The Y. M. C. A. team deserves
credit for this victory. The Wild Cat
team was considered unbeatable up
until this time. The Wild Cats have
been tamed and the Kittens have gone
wild over their victory.

The score:

Y. M. C. A. Kittens

NO REASON FOR IT

When Clearfield Citizens Show a Way

There can be no reason why any
reader of this who suffers the tor-
tures of an aching back, the annoy-
ance of urinary disorders, the pains
and dangers of kidney ills will fail to
heed the words of a neighbor who
has found relief. Read what a Clear-
field citizen says:

Mrs. Mary C. Passmore, 419 W.
Front street, says: "I have suffered
off and on for a good many years with
kidney trouble. When one of these
attacks has come on my back has
been lame and sore and I have had
dull bearing down pains across my

kidneys. My kidneys have acted too
frequently and I have had nervous
spells. I have used Doan's Kidney
Pills at these times. They have al-
ways eased the pains through my
back and head, regulated my kidneys
and removed the nervous and dizzy
spells."

Price 60c at all dealers. Don't
simply ask for a kidney remedy—get
Doan's Kidney pills—the same that
Mrs. Passmore had. Foster-Milburn
Co., Manufacturers, Buffalo, N. Y.
